Gentlemen:-

We recently received from our Chicago office for our attention, your order for embossed plates.

A Service Station has been operating here in Milwaukee for the past few years and we are equipped to furnish you with all ADDRESSOGRAPH needs, so in the future, if you will send all orders direct to this office at 49 East Wells St., it will save the time necessary to relay them from our Chicago office and enable us to render more prompt service.

Very truly yours,

E. M. Ward
